

Roll & Read the Letter

Materials:

- game boards (uppercase & lowercase)
- dice
- game marker (pom poms, mini erasers, etc.)

Directions:

1. Give each student a game board (upper or lowercase).
2. They will roll a die and move the number of spaces with their marker.
3. Student will say the name of the letter they land on and keep rolling & reading until they reach the end.
4. This game can be played individually or in pairs.

Up the COCONUT Tree!

Directions: Roll a die and move the number of spaces rolled. Say the name of the letter you land on. Keep rolling and reading the letters until you reach the end.

Up the COCONUT Tree!

Directions: Roll a die and move the number of spaces rolled. Say the name of the letter you land on. Keep rolling and reading the letters until you reach the end.

The board game path consists of the following letters in circles, starting from the bottom left and ending at the top right:

- o
- x
- e
- t
- j
- r
- w
- a
- m
- q
- b
- v
- g
- y
- f
- u
- p
- i
- d
- n
- h
- l

A cartoon die character with eyes, arms, and legs stands in the center of the path. A palm tree is on the right side. A 'START' label with an arrow points to the letter 'o', and an 'END' label is on a circle at the top right.
